

The NACC Worship Team Questionnaire:

Thank you for taking the time to fill out the NACC worship team questionnaire. We appreciate your understanding, cooperation, and honesty.

Please answer the questions below:

1. List the churches you have been a part of the last 5 years:
2. Were you involved in worship in your previous church? In what capacities?
3. How long have you attended NACC? Why did you leave your last church?
4. Have you been a part of the worship team here at NACC in the past?
5. Can you confidently say there are no sin issues in your life that would keep you from leading the congregation in worship?

When you have finished this questionnaire, please return it to the Worship Leader. You may do so in person or in the drop box entitled "Worship Leader" which hangs next to the the main office. If neither of these are convenient for you, let the Worship leader know via text so that an alternate arrangement can be made as soon as possible.

Thank you once again for your time and cooperation.

Sincerely,

Hannah Hickenlooper
